

**In the Claims:**

Please replace claims 1, 4, and 10 with the following amended claims:

1. (Amended) A customer defined, packaged, personalized toy  
a package having an aperture;  
a personalized toy in the package, the personalized toy including a preordered customer-selected configuration; and  
customer-defined identifying materials supported in the package so that the identifying material is visible through the aperture of the package.
4. (Amended) A packaged toy comprising:  
a personalized toy including a preordered customer-selected configuration; and  
a package enclosing the personalized toy, wherein the package has a flap covering the personalized toy and customer-defined identifying material removably attached to the flap wherein at least a portion of the identifying material is visible from the exterior of the package.
10. (Amended) A package for displaying a personalized toy, the package comprising:  
a flap having an inside and an outside, where the inside of the flap faces a personalized toy configured in accordance with a preordered customer's specification;  
an aperture in the flap; and  
customer-defined identifying material supported on the inside of the flap.

**REMARKS**

Applicants' attorney thanks the Examiner and Examiner's Supervisor for their time during the telephone interview on December 11, 2002. During the interview the above-amendments to the
